

Governance Committee Charter

I. Introduction

The Ventura County Employees' Retirement Association (VCERA) Board of Retirement has established the Governance Committee to execute their fiduciary duties and decision-making responsibilities in the context of a policy-driven Board as opposed to an administrative one. Governance in this context defines roles, relationships, policies, and decision-making authority of and between VCERA Trustees and its staff.

For purposes of this Committee, its charter and Board administration, the main tenets and guiding principles behind a policy-driven Board are as follows:

- Board decisions should generally be policy-driven in nature.
- The Board should define the desired outcome, not the means to achieve the outcome.
- The Board's relationship with senior management should be empowering yet verifying (i.e. delegate authority to perform administrative and management tasks, but employ monitoring and reporting to check results; "noses in, fingers out" approach).
- The Board has a fiduciary duty to regularly monitor actual outcomes of staff's authority and its results.

II. Committee Formation

The Governance Committee shall consist of three (3) members and serve their terms at the appointment and pleasure of the VCERA Board Chair. Each year, the Chair may re-appoint any existing member or choose new members. The Chair may, but need not, appoint himself or herself to the Committee. There shall be no limit on the consecutive number of annual terms a member may serve.

III. Operations & Duties

A. Committee Operation

The Governance Committee shall operate as follows:

1. The presence of a majority of Committee members shall constitute a quorum for a meeting.
2. All actions and/or recommendations of the Committee shall be by affirmative vote of the majority of the members present at a meeting of the Committee, and only if a quorum is present.

3. All actions of the Committee shall subsequently be approved by the Board to be effective, unless otherwise provided herein.
4. The committee shall meet at least once per year, but may meet as frequently as is deemed necessary by the Committee or Chair of the Committee, in consultation with the Retirement Administrator.
